## President's Message

*from Sue Moore*

New Meeting Place:

We are now meeting at the Eagles Aerie #1213, 1601 Washington Avenue, Las Vegas, NV. Our Show and Sell will continue to star at 5pm and the General Meeting will start at 6pm. Chuck prepared hamburgers for the May meeting and will be preparing spaghetti, salad and garlic bread for the June meeting.

May field trip weekend:

The Annual field trip, hosted by Bill Kogan, will be from May 22nd to May 26th. All members who will be camping at Bill's ranch can arrive from Wednesday, May 21st and thereafter. We will have 3 porta-potties delivered on Wednesday, for our member's convenience. The rock hounding schedule was published last month and appears again in this issue of the bulletin.

The pot luck dinner, Saturday evening at 5pm, will be Italian. The club will provide Spaghetti and meatballs; the members are encouraged to bring salads, sides and desserts.

Bring wood if you want a campfire in the evenings. Watch the weather reports for night and daytime temperatures. It is still cold at night so bring your warm sleeping bags.

We will convene each day at 9am at Bill's ranch. His address is: 856 N 100 W, Lund, NV 80717. Bill will give the briefing at 9am and we will leave the ranch at 9:15am. Don't be late.

You drive to Lund by going north on Hwy. 93, past Pahrnagat, Alamo, and Ash Springs, turn left (W) on 375 shortly, then N on 318 going through Hiko. When you drive through the narrows you can find many petroglyphs. (Look for White River Narrows Petroglyphs on the internet) The distance to Lund from Las Vegas is approximately 250 miles.

Nevada State Museum:

The Museum has rocks, which have been donated, that need to be identified. If you would like to volunteer, email the club website at [sngms2013@gmail.com](mailto:sngms2013@gmail.com) and we will forward your contact info to the Curator.

## Board Meeting Summary - May 1, 2014

SNGMS Board meeting minutes for 5/1/2014

On May 1st, 2014, the regular Board of Directors meeting of the Southern Nevada Gem and Mineral Society was called to order at 6:02 PM by the president. The secretary was present. The pledge of allegiance to the flag was recited. The minutes of the April 3rd, 2014 meeting were approved as read.

The treasurer gave her report: The net income for April was positive.

Shop Report: Trim saw blades are needed, as are some Genie wheels. Johnny Miller was not at the meeting for details, so an email asking for approval for purchases will be sent to the Board members.

Unfinished Business:

Property insurance – Peggy Sue Moore reports that there are bids out to two companies.

The cabochon contest for May will be any size/shape cab that looks like plant material (flower, tree, etc.). The prizes for April will again be two hours of shop time for first prize and one hour of shop time for second prize.

New Business:

The combined AFMS & RMFMS show will be in Tulsa on July 9 – 13 at the Expo Center.

Investigation of a new meeting place was done. The Springs Preserve is much too expensive for us, but there are opportunities for providing volunteer rock and mineral identification services to them. There is also a good opportunity to give classes to children there. The Eagles plan to continue in their building and the board agreed to make them an offer on rent to have our meeting there.

We will have a booth at the Boulder City Spring Jamboree May 3-4.

There will be a vote at the general meeting to decide if the Awards Banquet should be a pot luck or catered at the Hilton.

No progress has been made on getting the needed part for the 24" saw and due to the age and difficulty of maintaining it the board agreed that replacement is a better option.

**The meeting was adjourned at 6:30 PM.**
