2020 Sublette County Rock Hounds

President's Letter 2020

I would like to thank RMFMS for this opportunity to host the 2020 convention in Big Piney, Wyoming in the heart of Sublette County. The Sublette County Rock Hounds (SCRH) are honored to be selected to serve the RMFMS in this way! Additionally, I would like to express my appreciation for all who have helped make this convention and annual Wyoming State Mineral and Gem Society show a success; it takes many people contributing their ideas, expertise, and energy to put a project together. There have been many individuals involved from RMFMS, WSMGS, and SCRH – thank you to each one of you!

Our club and I are excited that the convention will be in western Wyoming this year, and we believe many people from our region will attend the show, learn more about RMFMS and WSMGS, and experience first-hand the benefits of joining our clubs and RMFMS. Our activities during the show are designed to inform and entertain at all levels of knowledge in the fields of geology and lapidary, from novice to expert.

We expect that those who travel from other areas to attend the convention will be pleasantly surprised by our friendly people, comfortable accommodations, fresh air, and amazing outdoor recreation opportunities. The convention at the Sublette County Fairgrounds is conveniently located near other towns, tourist destinations, rock hunting, fishing, museums, Fossil Butte National Monument, Grand Teton and Yellowstone National Parks, and major airports. Wyoming is a great place to explore, and we hope you enjoy your visit and find some wonderful rocks!

We look forward to seeing you at our show.

Jim Gray
SCRH President
